

If you are interested in learning more about Fidalgo Fly Fishers, please contact us via the website. We would enjoy having you join us at a general meeting, this gives us an opportunity to get to know you, introduce you to other members and help you with the application process. After you attend two (2) meetings, you can fill out an application, pay the initiation fee (\$25.00) and yearly dues (\$40.00) and we can help you find 2 members to serve as your sponsors – a good way to integrate into the very active fly fishing club and community.
